

CCLC invites you to attend a webinar presented by the NYC Department of Health and Mental Hygiene (DOHMH) on influenza vaccination during the COVID-19 pandemic and the Citywide Immunization Registry (CIR).

This webinar will address key aspects of the annual influenza vaccination process for nursing homes, especially as it relates to the COVID-19 pandemic within facilities.

Additionally, the presenters will introduce the Citywide Immunization Registry (CIR) and how it will be used when a vaccination against the SARS-CoV-2 virus is available. Finally, the presenters will provide instructions for enrolling facilities with the CIR.

The presenters will be:

Bindy Crouch, MD, MPH  
Director, Adult Immunization and Clinic Services

Melissa A. Mickle-Hope, MPH  
Unit Chief-Provider Quality Assurance  
Deputy Director-Citywide Immunization Registry

Both are from the Bureau of Immunization from the NYC DOHMH.

The webinar will take place on **Tuesday, August 25, 12:00 p.m. to 1:00 p.m.** *CCLC expects to issue one continuing education credit for skilled nursing facility administrators that complete the webinar.*

Date:	Tuesday, August 25, 2020
Time:	<b>12:00 p.m. to 1:00 p.m.</b>
Webinar Registration:	Register <a href="#">here</a>  Webinar log-in details will be provided to all registered participants prior to the event.
